NOTES					

Instructions: For every category, the inspector assumes 'Excellent' condition. For every issue the inspector subtracts one point from 'Excellent'. Every point subtracted should be explained to the cadet inspected. Once calculated, put an 'X' in the appropriate column.

Example: An excellent tunic is 2 points, but a missing badge is minus 1 point, making it 'Satisfactory'. If the same tunic is also too small it's minus another 1 point, making it 'Needs Improvement'.

Level V + : Excellent = 10pts. | Satisfactory = 9 pts.
Needs Improvement = 8 pts.
